# Form W-4 (2019)

**Future developments.** For the latest information about any future developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** You may claim exemption from withholding for 2019 if **both** of the following apply.

- For 2018 you had a right to a refund of **all** federal income tax withheld because you had **no** tax liability, **and**
- For 2019 you expect a refund of **all** federal income tax withheld because you expect to have **no** tax liability.

If you're exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2019 expires February 17, 2020. See Pub. 505, Tax Withholding and Estimated Tax, to learn more about whether you qualify for exemption from withholding.

## General Instructions

If you aren't exempt, follow the rest of these instructions to determine the number of withholding allowances you should claim for withholding for 2019 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to determine your tax withholding more accurately. Consider

using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job, or a large amount of nonwage income not subject to withholding outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you're having withheld compares to your projected total tax for 2019. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

**Filers with multiple jobs or working spouses.** If you have more than one job at a time, or if you're married filing jointly and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

**Nonwage income.** If you have a large amount of nonwage income not subject to withholding, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Additional Income Worksheet on page 3 or the calculator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to find out if you should adjust your withholding on Form W-4 or W-4P.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

### Personal Allowances Worksheet

Complete this worksheet on page 3 first to determine the number of withholding allowances to claim.

**Line C. Head of household please note:** Generally, you may claim head of household filing status on your tax return only if you're unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. See Pub. 501 for more information about filing status.

**Line E. Child tax credit.** When you file your tax return, you may be eligible to claim a child tax credit for each of your eligible children. To qualify, the child must be under age 17 as of December 31, must be your dependent who lives with you for more than half the year, and must have a valid social security number. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

**Line F. Credit for other dependents.** When you file your tax return, you may be eligible to claim a credit for other dependents for whom a child tax credit can't be claimed, such as a qualifying child who doesn't meet the age or social security number requirement for the child tax credit, or a qualifying relative. To learn more about this credit, see Pub. 972. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total

income includes all of your wages and other income, including income earned by a spouse if you are filing a joint return.

**Line G. Other credits.** You may be able to reduce the tax withheld from your paycheck if you expect to claim other tax credits, such as tax credits for education (see Pub. 970). If you do so, your paycheck will be larger, but the amount of any refund that you receive when you file your tax return will be smaller. Follow the instructions for Worksheet 1-6 in Pub. 505 if you want to reduce your withholding to take these credits into account. Enter “-0-” on lines E and F if you use Worksheet 1-6.

### Deductions, Adjustments, and Additional Income Worksheet

Complete this worksheet to determine if you're able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you do so, your refund at the end of the year will be smaller, but your paycheck will be larger. You're not required to complete this worksheet or reduce your withholding if you don't wish to do so.

You can also use this worksheet to figure out how much to increase the tax withheld from your paycheck if you have a large amount of nonwage income not subject to withholding, such as interest or dividends.

Another option is to take these items into account and make your withholding more accurate by using the calculator at [www.irs.gov/W4App](http://www.irs.gov/W4App). If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

### Two-Earners/Multiple Jobs Worksheet

Complete this worksheet if you have more than one job at a time or are married filing jointly and have a working spouse. If you

don't complete this worksheet, you might have too little tax withheld. If so, you will owe tax when you file your tax return and might be subject to a penalty.

Figure the total number of allowances you're entitled to claim and any additional amount of tax to withhold on all jobs using worksheets from only one Form W-4. Claim all allowances on the W-4 that you or your spouse file for the highest paying job in your family and claim zero allowances on Forms W-4 filed for all other jobs. For example, if you earn \$60,000 per year and your spouse earns \$20,000, you should complete the worksheets to determine what to enter on lines 5 and 6 of your Form W-4, and your spouse should enter zero (“-0-”) on lines 5 and 6 of his or her Form W-4. See Pub. 505 for details.

Another option is to use the calculator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to make your withholding more accurate.

**Tip:** If you have a working spouse and your incomes are similar, you can check the “Married, but withhold at higher Single rate” box instead of using this worksheet. If you choose this option, then each spouse should fill out the Personal Allowances Worksheet and check the “Married, but withhold at higher Single rate” box on Form W-4, but only one spouse should claim any allowances for credits or fill out the Deductions, Adjustments, and Additional Income Worksheet.

### Instructions for Employer

**Employees, do not complete box 8, 9, or 10. Your employer will complete these boxes if necessary.**

**New hire reporting.** Employers are required by law to report new employees to a designated State Directory of New Hires. Employers may use Form W-4, boxes 8, 9,

and 10 to comply with the new hire reporting requirement for a newly hired employee. A newly hired employee is an employee who hasn't previously been employed by the employer, or who was previously employed by the employer but has been separated from such prior employment for at least 60 consecutive days. Employers should contact the appropriate State Directory of New Hires to find out how to submit a copy of the completed Form W-4. For information and links to each designated State Directory of New Hires (including for U.S. territories), go to [www.acf.hhs.gov/css/employers](http://www.acf.hhs.gov/css/employers).

If an employer is sending a copy of Form W-4 to a designated State Directory of New Hires to comply with the new hire reporting requirement for a newly hired employee, complete boxes 8, 9, and 10 as follows.

**Box 8.** Enter the employer's name and address. If the employer is sending a copy of this form to a State Directory of New Hires, enter the address where child support agencies should send income withholding orders.

**Box 9.** If the employer is sending a copy of this form to a State Directory of New Hires, enter the employee's first date of employment, which is the date services for payment were first performed by the employee. If the employer rehired the employee after the employee had been separated from the employer's service for at least 60 days, enter the rehire date.

**Box 10.** Enter the employer's employer identification number (EIN).

## Fleet Safety Policy

### Notice to Employees

Traffic related motor vehicle accidents are the leading cause of work-related fatalities. The environment in which these accidents occur involves numerous complex factors of which the majority is uncontrollable. The purpose of Kindness General Contractors, LLC Fleet Safety program is to provide the means to reduce such factors to eliminate unnecessary injuries and fatal circumstances. We value our employees not only as employees but also as human beings crucial to the success of their family, the local community, and Kindness General Contractors, LLC.

All employees are expected and required to actively participate in this program for their own health and well-being. Kindness General Contractors, LLC encourages its employees to take a proactive approach in identifying potential hazards by promptly reporting them to their supervisor. \*\*\* Use of seatbelts and other safety devices is mandatory. \*\*\*

MVRs will be requested periodically at a minimum of at least once per year. Management reserves the right to use its discretion in determining an unsatisfactory MVR. As a guideline, **two** violations in the past three years will be grounds for an unsatisfactory MVR and cause for termination and/or disciplinary actions.

If an accident occurs and is deemed by our insurance carrier a preventable accident, the following consequences will occur:

**1<sup>st</sup> Preventative Accident – Loss of company vehicle and company gas card for 3 months.**

**2<sup>nd</sup> Preventative Accident – Loss of company vehicle and company gas card for 6 months.**

**3<sup>rd</sup> Preventative Accident – Termination**

If the employee's truck and gas privileges are taken away, the employee will need to be completely responsible to fulfill all daily job related duties.

We also encourage all employees to report any and all maintenance and malfunction issues immediately to their supervisor. Kindness General Contractors, LLC realizes a proper working vehicle is the first step to ensuring everyone's safety.

All vehicles will be supplied with accident claims kit, a pen, and a disposable camera. Drivers are required to document all details of the accident; traffic flow, speed limits, stop lights/signs, weather conditions, citations issued, etc. Pictures should be taken to document the extent of damage to all vehicles involved. **REPORT ALL ACCIDENTS IMMEDIATELY TO YOUR DISPATCHER OR SUPERVISOR!**

Personal use of company vehicles is prohibited without prior permission from management.

I read and understand Kindness General Contractors, LLC's Fleet Safety Policy, its requirements and expectations of me as an employee.

## SAFE DRIVING POLICY

For the protection of our employees Kindness General Contractors, Inc has established the following safe driving rules designed to reduce vehicle accident and injury potential.

1. **Maintain a safe vehicle** by having it serviced per the manufacturer's recommended schedule. In addition check your tires, windshield wiper blades, lights, emergency flashers, etc on a frequent basis. Keep the windows clean and the mirrors adjusted.
2. **Always wear your seatbelt and be sure your passengers do too.** In a collision the seat belt will keep you from being ejected from the vehicle. It will also keep you and your passengers from being thrown against each other. Remember that half of all traffic deaths happen within 25 miles of home.
3. Concentrate on driving because **changes in the traffic environment can occur quickly.** Eating, sorting CD's, personal grooming, talking on the phone, taking notes, looking at the Thomas Guide, etc all take your mind off the traffic environment.
4. **Driving while under the influence of drugs or alcohol is prohibited.**
5. **Avoid tailgating.** Maintaining a safe distance from the vehicle in front is required to provide adequate room during emergency braking. To judge that distance use the 3-second rule. When the rear of the car in front passes a fixed point begin counting one-thousand-one, one-thousand-two, one-thousand-three. If the front of your car passes the fixed point before you finish counting you are following too close and need to back off. This method works at any speed.  
  
**A 5-7 second rule should be used for trucks due the increased stopping distances required.**
6. **Preplan your route** and have an alternative exit in mind. If you miss your exit or it is closed then use the alternate. If you need to consult your Thomas Guide move to a safe place and stop before doing so.
7. **Drive ahead and establish a scanning pattern.** Look ahead a quarter mile on the freeway or a block ahead on city streets. Keep your eyes moving to take in the total picture. Scan your side and rearview mirrors to know where other vehicles are around you in case you need to make an emergency maneuver.
8. **Special conditions** exist at sunrise/sunset, during rainy or foggy weather and at night. At sunrise/sunset the sun is close to the horizon and often shines directly in your eyes. Wear sunglasses and adjust the sun visor to reduce the glare. Keep your windows clean because a dirty windshield causes additional glare.

Rain causes the roadway to become slick, which increases braking distance and also decreases visibility. Slow down and increase your following distance to the vehicle in front. Turn on your lights to increase your visibility for other drivers. Don't drive faster than the wipers can remove the water from your windshield.

Initials \_\_\_\_\_  
Date \_\_\_\_\_

If it is foggy the best bet is to avoid driving. If you have to drive keep your lights on low beam, slow down and be prepared to stop within the space you can see in front of your vehicle. Avoid crossing lanes of traffic, or passing, unless absolutely necessary.

Driving at night increases the driving risk because you can't see as far ahead so adjust your speed accordingly. Remember to keep your lights on low beam when approaching other vehicles.

9. **Signal your intentions!** Develop the habit of using your turn signals whenever you are changing lanes or making a turn. After completing your move check that the turn signal has cancelled.
10. **Secure the load** to prevent material or equipment from falling off the truck. Major traffic accidents have occurred by inadequately secured materials falling off in traffic. Always double check the load to be sure it is adequately secured.
